- In-excess Insurance Coverage for Current Lifetime Members*** \$25

If you choose “in-excess” insurance, coverage begins date membership purchased

Your membership joins with others across North Carolina to promote everything horse. Legislators are influenced by numbers, so join the herd and BE heard! Some things to ponder:

- Only members of NCHC can vote in the annual Board meeting held in November.
- Riding Clubs/Breed Associations who join can appoint a representative to the Board.
- You can make a difference for as little as \$20.
- Volunteer opportunities are available.
- NCHC is the only statewide organization that works to serve the needs of the entire horse industry, regardless of breed preference, riding style, or activity.

Note: Due to our current lobbying activities, this membership is not tax deductible.
